

Easter Garden Competition

Create an Easter Garden to celebrate the joy and hope of the real Easter story

As part of our Easter celebrations, we would love to create a display of Easter Gardens produced by children in our local community. The miniature gardens will be available to be viewed by the public at our Discover Easter family fun afternoon on Saturday 31st March, from 2-3.30pm in St John's Church Centre on School Lane.

To enter, have fun making your garden on your own, with a group of friends or as a whole family. Your garden should be contained in a tray, a basket, a plant pot or similar and can include real or artificial grass, soil, flowers, pebbles, water, a tomb and cross and anything else that you would like to use to make a creative celebration of the real Easter story.

When you have made your garden, please print out and complete both sides of the attached entry form and bring it along with your garden to the church centre on Saturday 31st March. Please drop your garden off between 2pm and 2.30pm, so that everyone has time to see your creation before the end of the afternoon. There will be prizes for every entry.
