Noah's Ark
Family Worship

Welcome to week one of our family worship resource, for you to use at home or on holiday. Feel free to do as much or as little as you like, and adapt it to work for your family, with the resources that you have. We would love to see photos of what you get up to.
Please email them to teresa@stjohnshartford.org or post them on www.facebook.com/stjohnshartford

Big Question: Who is your rescuer?

God asked Noah to build a big wooden boat, called an ark, to rescue all the animals and Noah's family from the flood that was coming. God wanted to rescue them because He loved them. God loves us too and the Bible tells us that God wants to rescue us as well. But we don't need rescuing from a flood—we need rescuing from our broken relationship with God. Only Jesus can do this.

Have you thought about whether you need Jesus to rescue you too?

Why not sing this great song together about Jesus being our lighthouse—
a bright light guiding us through the storms of life.

Why not make your own boat?

You can make a boat out of an egg box, a bamboo skewer and a paper sail. You might need a blob of blue tac to hold the skewer in place. Then you can have fun floating it in the bath or the paddling pool and rescuing Lego men or other small toys.

Or you can make a banana boat for a tasty snack, and rescue some animal biscuits!

Bible Memory Verse

"For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. "
John 3:16
