It's Your Move is a resource for Year 6 primary school children moving up to High School, produced by the national Christian charity, Scripture Union. Their website, [www.scriptureunion.org.uk](http://www.scriptureunion.org.uk) says;

“Research conducted by Scripture Union confirmed that the big change from primary to secondary school can be really stressful, as children come to terms with being the small fish in a much bigger pond. That's why we developed *It's Your Move*, a brilliant book designed to help primary schools as they prepare their top year pupils for their move to secondary school. It's packed with wise advice and true stories of young people who have already taken that big step.”

Using this booklet, St John's Church in Hartford have put together a lesson plan for year 6 classes, giving pupils an opportunity to think through their hopes and fears about moving up to High School. The lesson will be jointly delivered by Teresa Nixon, Children's Outreach Worker at St John's and Rev Phil Highton, the Chaplain at Hartford Church of England High School. Each child will be given the booklet to take home with them and it is open to all pupils, irrespective of which High School they will be moving to. There is no charge for It's Your Move. We simply need access to a laptop and screen. Phil and Teresa are fully DBS checked, although we would ask that a teacher remains present with the class during the sessions.
